PRESIDENT CONGRATULATES GOVERNOR COOLIDGE NO SETTLEMENT OF MINER'S STRIKE YET IN SIGHT

SUGAR FAMINE IS GROWING SERIOUS; HIGHER PRICES TO PREVAIL LOCALLY

No Sweetening in Sight Unless Louisiana Planters Get Rake-Off.

UNJUST DISTRIBUTION AFFECTS THE SOUTHEAST

Forced to Draw Supply From Growers Who Charge What They Please.

The sugar famine which has gripped the Twin Cities, along with the rest of the country, promises to continue indefinitely. No relief is in sight, according to local wholesale grocers. "We haven't a pound of sugar in stock and none rolling," said J. H. Calvin, of the J. H. Calvin Company today. "So far as we know, the other jobbers here are in the same predicament."

Mr. Calvin stated that the only prospect of relief was through the purchase of sugar sold by the sugar growers of Louisiana. One car of plantation granulated was sold at New Orleans recently to a jobber for 22 1/2 cents per pound, and a car of yellow clarified for 20 1/2 cents per pound. This sugar, delivered here, would cost the consumer more than 25 cents a pound. However, the sugar sold at New Orleans brought a premium, and it is expected that with later adjustments the price will be around 15 cents.

"An injustice has been done this section in the matter of distribution," said Mr. Calvin. "The Cuban sugar crop has been assigned for distribution to the eastern states, and western beet sugar crop for distribution in the western states. The southeast is required to draw its sugar from the Louisiana district, which places us to some extent at the mercy of the Louisiana planters, as we are cut off from other sources of supply."

Situation Explained.
Further light on the southern sugar situation is shed by a bulletin recently sent out by the Southern Wholesale Grocers' association, in which it is stated:

The sugar situation has never at any moment been more discouraging and perplexing than at this time.

With the zoning system in force we have the Government owned Cuban sugar, refined in the East, limited in distribution to the zone in that immediate section, this sugar selling at 9 cents with the Government allowing a 68th cents profit, including the cash discount, which cash discount is assured.

Again we find the zoning system providing that the South and Southeast must depend for their supply upon "Louisiana Sugar," with the usual margin of profit allowed by the Government, notwithstanding we are confronted with the fact that Louisiana is taking advantage of the situation in the matter of price and quoting from 17 to 20 cents, and with little reason for us to doubt that higher quotations will prevail.

As to Beet sugar, the Department of Justice has announced that Beet refiners have consented not to ask more than 10 1/2 cents and yet we find that the speculators and food gamblers of the West and Middle West are at this moment quoting beet granulated at from 17 to 18 cents while it is exacted of the jobber that his profit shall not be OVER the limit prescribed by Washington.

Many telegrams and letters are reaching this office asking if they are "permitted to buy sugar at these high quotations." This Bulletin is issued primarily for making at this time a wide spread reply to just such inquiries by stating that THERE ARE NO RESTRICTIONS OF ANY NATURE ON THE PURCHASE PRICE THAT YOU PAY FOR LOUISIANA AND BEET SUGAR.

DEMOCRAT WHO OPPOSED LEAGUE OF NATIONS IS BEATEN IN KENTUCKY Republicans Victors in Majority of the Elections Held Yesterday.

EARLY RETURNS INDICATE NEW JERSEY DEMOCRATIC

Law and Order Candidate Gets Tremendous Plurality in Massachusetts

(International News Service)
Washington, Nov. 5.—President Wilson today sent a telegram of congratulations to Calvin Coolidge, republican, re-elected as governor of Massachusetts, congratulating him upon the victory for "law and order." President Wilson said: "I congratulate you upon your election, as the victory for law and order. When that is the issue all Americans stand together."

The election of a republican governor in Kentucky, the tremendous victory in Ohio and the great plurality of Governor Coolidge in Massachusetts were the outstanding features of the election. A summary of the chief results follow:

Columbus, Ohio.—The drags rolled up a plurality over 80,000 on the four prohibition amendments inflicting overwhelming defeat on the vets.

Boston, Mass.—Gov. Coolidge, republican, running on a platform of law and order, was elected by a plurality of about 125,000.

Trenton, N. J.—Early returns indicated that democratic state senator Edward I. Edwards has been elected governor of New Jersey on a wet ticket by about 10,000 votes.

Baltimore, Md.—Both republicans and democrats were still claiming the election this morning after one of the closest contests in the history of the state.

Richmond, Va.—Slight republican gains were made in the assembly, but the democrats are still in control. No state officials were elected.

Frankfort, Ky.—Edward T. Morrow, republican, swept the democratic state of Kentucky and was elected governor by a plurality estimated at nearly 20,000. Mr. Morrow opposed the league of nations in his campaign.

Detroit, Mich.—Only municipal elections were held in Michigan. John French, a street car conductor, was elected mayor of Port Huron over an attorney.

Philadelphia, Pa.—Representative J. Hampton Moore, republican, was elected mayor by about 185,000 majority, one of the biggest majorities in the history of Philadelphia politics.

New York.—Tammany got a knock-out in the municipal and county elections. Five of the nine men elected to important city and county offices were republicans. A final count today shows the election of F. J. LaGuardia, republican, to the presidency of the board of aldermen by a majority of 1,300. He had a war record.

GRAFT MAYOR DEFEATED

(International News Service.)
SAN FRANCISCO, Nov. 5.—Mayor James Rolph Jr., incumbent, is easily the victor today in the mayoralty campaign over Eugene Schmitz. It was Schmitz whom Frances G. Haney prosecuted as the graft mayor of San Francisco. Schmitz is at present a supervisor.

Incomplete returns indicated today that District Attorney Fickert, prosecutor of Thomas Mooney, had lost to Judge Matthew Grady, opponent, for the office of district attorney.

KAISER GOT HIS SAYS KING GEORGE

(International News Service.)
PARIS, Nov. 5.—"The former Kaiser has been well punished for all he did," said King George today in an audience with Archibald Forder, a missionary who has just returned from Damascus. The King received the Rev. Dr. Forder at Buckingham Palace.

However, you are reminded that up to this time the Government regulations still apply that only 1/4 cent per pound, plus the cash discount, shall be taken by the wholesaler REGARDLESS OF HIS COST.

N. A. L. A. METHODIST CONFERENCE OPENS

DR. W. E. MORRIS OF DECATUR IS AT THE SECRETARY'S DESK.

(International News Service.)
BIRMINGHAM, Nov. 5.—With Bishop James A. Atkins in the chair, and Dr. W. E. Morris, of Decatur, at the secretary's desk, the North Alabama Conference of the Southern Methodist church began its fiftieth session in the First Methodist church auditorium at 9 o'clock this morning. Indications at an early hour showed that close to 500 delegates would be in attendance, and while awaiting the arrival of a number who had been delayed the morning session was given over to organization and reports of presiding elders. Announcement was made that a full session of the conference would be held each morning from 9 to 12:30 o'clock, to be followed by half an hour of evangelical discussion, led by Dr. George R. Stuart, while the afternoons will be taken up with board and committee meetings, as well as conferences between Bishop Atkins and his cabinet.

The examining committees of the conference met at the First Methodist church Tuesday to pass on the qualifications of the undergraduates going through the church conference course of study.

The committees are as follows: First year, Rev. W. T. McGlawn, Rev. J. A. Waites and Rev. J. M. McCleskey. Second year, Rev. H. C. Howard, Rev. I. F. Hawkins and Rev. B. B. Glasgow. Fourth year, Rev. H. M. Stevenson, Rev. F. W. Brandon and Rev. G. W. Read. The committee on admissions is composed of Rev. J. F. Chadwick, Rev. F. L. Aldridge, Rev. D. S. McGlawn, Rev. J. F. Sturdivant and Rev. C. W. Hamner. Committee on admissions on trial, Rev. J. D. Simpson, Rev. E. M. Glenn and Rev. J. A. J. Brock.

LOCAL FANS SEE TWO GOOD GAMES

Football fans of Albany-Decatur will have an opportunity to see two more football contests during the next week. Albany high meeting Florence here Friday and Morgan County high school playing the Decatur Athletic club next Tuesday. Albany defeated Florence on the latter's field two weeks ago 12 to 7 and county high won from Decatur 48 to 0. Since that time, Decatur has been working on a number of new formations and the team expects to give Hartselle a fight. Morgan county high will play Jefferson county high at Hartselle November 7.

Motors to Albany From Gary, Ind.

John R. Foster, Superintendent of electrical construction of the Illinois Steel Co., of Gary, Indiana, is visiting his mother, Mrs. James A. Foster on Gordon Drive. Mr. Foster made the trip in his car and reports the roads as being in a dreadful condition owing to the recent rains.

MERGER PETITIONS HELD TO BE VALID AND ELECTION WILL CALLED VERY SOON

Necessary Number of Qualified Voters Signed Papers, Judge Troup Holds.

HEARINGS CONCLUDED WITHOUT OPPOSITION

Official Announcement Has Not Yet Been Made of Findings of the Court.

The petitions presented by Albany and Decatur citizens and seeking an election on consolidation contained the necessary number of qualified voters, according to a statement today by Judge L. P. Troup. The hearings on the petitions were concluded yesterday afternoon when Judge Troup finished checking up the names of the signers.

There was no opposition to the petitions, it was stated, but the hearings were called in accordance with the merger bill. The Decatur petition was heard Monday afternoon at 2 o'clock and the Albany petition Tuesday afternoon at ten o'clock. The law provided that all legal evidence, written and oral, could be presented attacking and upholding the qualifications of the signers. The bill requires 25 per cent of the qualified voters of each city, before an election can be called.

Judge Troup did not announce the result of the hearing officially, being given five days for such action. He is charged, under the law, with the duty of calling an election in both Decatur and Albany, naming the election officials and otherwise providing for the balloting on the merger of the two cities.

The election will be held at an early date simultaneously in both cities and a majority of the voters of each must declare in favor of the merger before consolidation becomes a reality.

NINETEENTH STATE RATIFIES SUFFRAGE

(International News Service.)
AUGUSTA, Me., Nov. 5.—Woman's suffrage advocates won another victory today when the Maine house of representatives by a vote of 72 to 68 ratified the Susan B. Anthony federal constitutional suffrage amendment, in concurrence with the senate. Maine is the nineteenth state to ratify. Only 17 more states are necessary for the suffragists to obtain the necessary 36 states.

War on Cigarettes is on; Mrs. Turner Wants Organization

Declaring war on the use of cigarettes by small school boys, Mrs. E. H. Turner, a prominent resident of Albany, today issued an appeal for the formation of an anti-cigarette society.

In a statement to the Daily, Mrs. Turner said:

"I want to call upon the mothers and fathers, upon the teachers in the public schools, to aid me in fighting the use of cigarettes by small boys. Conditions are deplorable, and the pockets of many school children are filled with the poisonous tobacco that saps the vitality of the young and wrecks their nervous systems."

Mrs. Turner stated that an effort would be made at an early date to form a society to battle the "cigarette" to replace one that was in working order several years ago.

ALLIED MISSION LEAVES

(International News Service.)
PARIS, Nov. 5.—The allied mission assigned to the Baltic district will leave tonight. The Americans have been instructed not to "play politics."

POWER HOUSE HAS 2 WEEKS SUPPLY COAL, GAS PLANT HAS TWO MONTHS

Early Relief is Expected by Officials From the Government's Reserve.

GAS STOVES HEAT HOMES SAVING FUEL SUPPLY

Southern Railway Announces it Can Operate Full Schedule Ten Days.

The Alabama Power company now has only about two weeks supply of coal on hand for the electric light plant, Manager Beauchamp announced this morning. The gas plant, however, is better fixed and has enough to operate until Christmas. Four cars were received this week.

Local officials were hopeful that the government will see that public utilities are furnished with fuel and it is expected that should the strike continue several weeks, Federal officials will send some of the coal, seized during the past week, here and to similarly affected places.

The Southern railway announced yesterday afternoon it had sufficient coal to operate about ten days on most of its divisions and the Louisville and Nashville is said to be fairly well stocked. So far train schedules have not been affected and the local shops are working full time.

Local coal dealers today saw no relief in sight unless the strike is settled. Their supply of 350 tons of yesterday was decreased today with no more coal being received.

The local street railway can operate as long as the coal supply at the power house of the Alabama power company lasts. Gas ranges, as a means of warming rooms, already are being used in Albany-Decatur as a coal preservation measure. But Manager Beauchamp today warned gas users against placing too big a load on the plant.

Most of the larger industries, outside of the shops, are operated with electric current and they will continue operation until the power stops.

BILL PROVIDES FOR AMERICAN MARINE

WASHINGTON, Nov. 5.—A privately owned and operated American merchant marine through gradual absorption of the shipping board ships by citizens of the United States is contemplated in a bill reported to the house this afternoon.

The shipping board is to be retained as a regulatory body. No ships useful to the American shipping program are to be sold foreign shipping interests. The present construction plan is to be continued.

BOND COMMITTEE TO MEET THURSDAY

Despite its announcement that a representative from the Mayer bond company would be present at the meeting of the Albany council last night, he did not appear and the bond issue was not discussed by the aldermen.

A committee appointed at a previous meeting of the council to confer with bond buyers will meet Thursday and it is understood the Mayer representatives will be present then. The committee is composed of the mayor, city attorney, city treasurer and chairman of the finance committee.

SPECIAL MEETING

Captain and Mrs. W. J. Williams, of the Salvation army, announce a special meeting to be conducted in the Salvation army hall Sunday at 8 p. m.

SCHOOL ARCHITECT IS EXPECTED HERE TO AID IN PLANS FOR MODERN BUILDING

Dr. Dressler Coming to Albany to Confer With the Authorities.

COUNCIL ASKED TO CONSTRUCT BUILDING

New High School Would be One of Handsomest in the South.

Dr. Dressler, noted school architect, is expected to arrive here tonight to confer with local school authorities and city officials of Albany Thursday regarding the plans for the proposed new \$100,000 high school building.

At the regular meeting of the council last night Superintendent R. W. Cowart and B. L. Malone, a member of the school board, appeared before the aldermanic body and urged immediate action on the school authorities' request for a new high school. Superintendent Cowart explained to the council the present crowded condition of the buildings. Several teachers, he said, now have 65 students. The expansion of the schools has been very rapid in the past three years and the present buildings are considered entirely inadequate.

Dr. Dressler will meet a committee from the council composed of the mayor and chairman of the public property committee, in addition to the school board, and a recommendation will be submitted to the aldermen later.

Preliminary plans for the building call for a handsome structure, well equipped for the future needs of the city's school children. It is planned to have an auditorium and gymnasium in addition to the class rooms.

The council last night also appointed the chairman of the street committee a committee of one to look after the improvement of the Fourth avenue road to Austinville, which is said to be in bad condition.

The monthly reports of officers were received and filed and the monthly bills allowed.

UNION OFFICERS PUT UNDER ARREST

SHEFFIELD, Ala., Nov. 5. (Special.)—Held in default of bond on various charges five former employees of the Sheffield company, operators of the street car line here, are in the Colbert county jail. The bonds of D. F. Wilson, president of the local carmen's union and N. Hill, secretary were placed at \$5300 and \$5600 respectively. A. C. Azbell, S. C. Linsey and F. A. Quener, all former carmen, are also under arrest.

Apprehension of the five men followed an attack on a street car Sunday night when a prominent local woman was painfully wounded with bird shot. None of the men under arrest are charged with participation in that offense, the two union officials and Linsey being accused of using abusive and threatening language to employees who took their places. Azbell and Quener are charged with attempting to derail a car. A reward fund of \$2,000 has been raised by local citizens, contributions coming from several local unions.

FIVE GENERALS TO BE STEPPED UP

(International News Service.)
WASHINGTON, Nov. 5.—Gen. John J. Pershing today recommended the appointment of Maj. Generals Liggett, Bullard, Hickman, McAndrew and Harbord as lieutenant generals in his testimony before the joint committee of military affairs in congress.

GOVERNMENT WONT HALT LEGAL ACTION AGAINST MINERS IF STRIKE CONTINUES

Its Position Made Clear in a Statement by Judge Ames Today.

IN REPLY TO THOSE OF GOMPERS AND LEWIS

Head of American Federation Says Men Want More Hours of Labor.

(International News Service.)
WASHINGTON, Nov. 5.—The government will not halt its legal proceedings against the leaders of the coal strike. Legal action against the strike will continue while the strike lasts. Judge Ames, of the department of justice, made this statement this morning in response to published statements from Samuel Gompers and John L. Lewis that the strikers would arbitrate if the injunction proceedings brought by the government were vacated.

Judge Ames issued the following statement: "The strike is a violation of the law. As long as it continues we are going to proceed in the courts. The disputes between the mine owners and the workers is an entirely different question that they can settle in their own way. The government cannot tolerate a continued violation of the law such as this strike will constitute."

Samuel Gompers was today bringing every pressure to bear upon the administration for the dropping of the injunction proceedings, despite the statement of Judge Ames. It is understood that labor leaders have appealed to democratic officials in many states to use their efforts with the administration.

Edgar Wallace, Washington representative of the United Mine Workers of America, today declared that if the government would withdraw its injunction that within 48 hours negotiations would be in progress.

"The scale committee, receiving an acceptable proposition and considering the needs of the country, would call off the strike," Wallace said.

GOMPER'S STATEMENT

Samuel Gompers issued the following statement after his return here from New York and in response to numerous requests for an expression as to chances of bringing the strike to a speedy end:

"Representatives of newspapers have asked me for a statement regarding the coal strike and the situation."

"In the first instance it should be known that the demands of the miners, which upon the surface seem so radical and far-reaching, are by no means so. For several years the miners have not had more than a half year's work—their working days averaging from 160 to 180 days per year, intermittent, by days and by weeks—employment and then unemployment. The miners simply ask for a regulation of working time so that coal production and employment may be regular rather than intermittent. If the miners were permitted by the operators to work full time the supply of coal thus mined would soon force down the price of coal on the market. This the operators are determined not to permit. The miners' case might better be stated by their demanding at least five days of six hours work per week, which is really more than they are permitted to work at the present time. An understanding of these conditions clearly shows what are responsible for the present situation and the cause. Injunction secured by the Attorney-General could not prevent the strike, for it was issued after the strike notice had already gone forth. The injunction was not only a grave wrong but a gross blunder. It practically takes away the constructive influence of the officers of the organization and indeed bars them from attempting to end the strike. Instead

THE SUGAR FAMINE; WHAT IS THE CAUSE?

Even during the trying days of the war, when the United States had assumed the gigantic task of feeding the world, the shortage of sugar was not more acutely felt than it is today, in the midst of peace and plenty. Almost without warning, sugar has disappeared from the market and the price has begun to soar, despite the activities of the food administration and the announced intention of congress and the president to reduce the high cost of living.

What is the cause of this unusual condition? There are many answers, none of which are satisfactory. Herbert Hoover, who should be an authority, has hazarded the opinion that it is due to the consumption of sugar by former addicts of the booze bottle, and by the failure of the government to restrict the exportation of the saccharine product. It is doubtful if Mr. Hoover is correct in placing the blame on the disciples of Bacchus. He would probably have come nearer the real explanation of the heavy domestic consumption by stating that unusual prosperity and a plethora of money had enabled a much larger number of persons to purchase candy, which is somewhat of a luxury. He didn't go wrong, however, in placing much of the blame at the door of unrestricted exportation, for only this week New Orleans has been treating its sweet tooth through the release there of sugar that had been consigned to England but that could not be shipped on account of the Longshoremen's strike.

Probably the plain truth is that the sugar trust—and there is a sugar trust—is sending most of its products abroad because it can get higher prices abroad. It is just another case of round-about profiteering, although it may come under the head of "good business" or may be classed as benevolent regard for the suffering of Europe. Whatever the excuse may be, back of the sugar shortage will be found the "itching palm," the desire for gain.

And in the meantime, sorghum and other substitutes fail to tickle the palate of the pampered American who feels that he is entitled to the best.

PUBLIC SAFE FROM EITHER MILLSTONE

(Birmingham Ledger.)

The text of the reply of Attorney General Palmer denying the suggestion of the wholesale coal dealers of New York that maximum coal prices be withdrawn and the public left to the tender mercies of man-manipulated laws of supply and demand during the coal strike is a clear cut declaration of the rights of the public in that new order of things which has come about by reason of the public's discovery of those rights and its determination to go to the mat in their assertion.

Like the small nations of Europe the public has until recently been battered about in the conflicts between aggregations of capital and aggregations of organized workers for organized capital without the slightest attention being paid to its welfare.

Belgium has been the battleground of Europe. No matter who fought Belgium endured. The arbitrament of the war is that every nation has a right to its safety and autonomy. The public has not yet won its fight for recognition, but its forces have assembled and it will win just as surely as our soldiers won in the Argonne. The New York coal dealers want-

ed supply and demand to take its "usual" course. We know what that is in an acute situation. Even before a supply of stuff actually decreases prices are marked up in anticipation. Holders of hoarded supplies make more off a diminished supply than they would off a much larger one. While the public froze the decreased coal supply would create wealth for hoarding and profiteering ghoul.

Protesting against the fixing of maximum prices was a bad break on the part of W. A. Marshall, president of the New York wholesalers, but it is just as well for the country that he made it, because it afforded Attorney General Palmer the opportunity to state the position of the government and the rights of the public in no unmistakable language. After writing Mr. Marshall that he is "amazed" at his suggestion, Mr. Palmer says:

"The action of the government in restraining the officers of the mine workers' union from furthering the strike order already issued, was taken solely in the general public interest, and I shall not permit it to be used directly or indirectly for the benefit of the employers' side of the controversy.

"If any advantage shall be taken of present conditions by any arrangement or agreement of two or more persons to restrict either production or distribution in order to enhance the cost of fuel, I shall, without hesitation, take precisely the same action against such persons as has been taken against the officers of the mine union."

The public is not to be ground either by the miners or by the operators. It has decided that there shall be short shifts of any who seek to profit on a distressing situation. This is a novel position, but it is here to stay. The coal strike is its first test, but the public is prepared to make that test a convincing one.

Mr. Palmer has exactly translated the public attitude and the formless mass, backed by the entire governmental machinery, is with him to a man.

The public is the umpire of this contest and its word goes.

HIGH COST OF NEWS PRINT PAPER

So alarming is the news print situation that the executive committee of the Southern Newspaper Publishers' association, recently in session in Nashville, created a special committee of five to co-operate with the publishers of any city in formulating a system whereby conservation of paper can be accomplished. News print not only advanced to a fabulous price as compared with the price of only a few years ago, but it also has become one of the scarcest articles of commerce. While the price is a matter that every publisher must consider, that feature of the situation may be disregarded and yet he would be confronted with a colossal problem.

One of the largest paper mills in America has already given notice that it will in 1920 discontinue shipments of paper to southern customers. Other mills are reducing the quantity they will deliver to any one paper, and the Southern Newspaper Publishers' association on behalf of its members has found it necessary to ask the mills to pro rata or "rationing" basis in order to assure every publisher at least a small supply of news print regularly.

"Your committee urges all members to adopt, by mutual agreement if possible, practices which will lead to a reduction in the amount of paper consumed, and if unable to agree lo-

cally on such plans, to call on the assistance of the committee on conservation and conciliation," said the recommendations of the executive committee of the association.

This reference to the news print situation is made because it is not improbable that a majority of the readers of a newspaper have but slight conception of what the value of the paper is. The price they pay for it does not more than meet the cost of the white, news print alone.—Rome News.

Beason-Cobb Drug Says

After you eat—always take **EATONIC**

(FOR YOUR ACID-STOMACH)
Instantly relieves Heartburn, Bloating, Gas, Sour Stomach, Indigestion, and all stomach troubles. Aids digestion and appetite. Keeps stomach sweet and strong. Increases vitality and energy. ENJOYS HIS 3 MEALS A DAY

Mr. Wooten Thinks Much of ZIRON Because It Made Him His Old Self Again.

Sick people do not get much out of life. In order to enjoy your meals, to do your work well, you must be strong and healthy.

I am, weak, nervous people frequently need iron to enrich their blood and to restore vitality to their system, and a good way to supply the iron is to follow the example of Mr. Clayton Wooten, of Scotland, Ga., who used Ziron Iron Tonic and has this to say about it:

"I have taken Ziron according to directions and I can truthfully say that it is a fine tonic. It has done me all the good. Since I began taking it, I have gained eight pounds in weight and enjoy eating three meals a day. I shall do all I can to recommend Ziron."

Try Ziron! Your druggist sells Ziron on a guarantee to refund your money if the first bottle fails to benefit. You can not lose anything, but very likely will gain much, by getting a bottle of Ziron, today!

Your Blood Needs ZIRON

Consolidationists Stand to Their Guns

Owing to a false and misleading report that is current, to the effect that we, the acting publicity committee, of the pro-consolidationists, have not taken full responsibility for the paid advertisement favoring consolidation of the cities of Albany and Decatur, that appeared in Saturday's issue of the Albany-Decatur Daily, we wish to emphasize the fact that we do assume full responsibility for our paid reply of Saturday. Please allow us to add that we sincerely appreciate the many words of commendation as to the soundness of the position we took. In one instance we are reliably informed, an anti-consolidationist stated that we put it all over the other boys in our reply.

Respectfully,

E. M. JOHNS
H. K. LAATSCH
GEO. C. HARTUNG
F. L. CARSWELL

(Adv.)

BUY YOUR CHRISTMAS PRESENTS NOW

No other form of gift so admirably expresses the glorious sentiments that come with the Christmas-tide. The gratified longing of a gift to be cherished, to be prized as the fleeting years roll by, takes its form in

JEWELRY

We have anticipated your every want. Our stocks are complete. Our displays already bespeak the Christmas spirit. Markets were searched weeks and months ago. Complete shipments of jewels have arrived. To buy early means buying at a time when one can duly deliberate, when one can give careful thought to the selection of a proper gift.

We will appreciate a call to inspect our line.

THOUGHT

The Soldier.

When last in the Argonne with death on my trail,
And snipers all around us, and bullets like hail,
I thought of a robin far over the sea
That built in the top of a white lilac tree—
The tall lilac tree grew close to the door
Of the home that I thought I would never see more.

Now I sit on the porch with the sun in the west,
And the robin is thrilling his song by his nest
In the green lilac boughs, but the world has gone dead
For the music of bullets that sang overhead,
And the comrade who fell where the red rivers ran,
And taught me the measure God used for a man.
—Minna Irving, in New York Sun.

ALMON-MENTIRE REHEARSAL PARTY COMPLIMENTED

Among the prettiest of the many functions given by admiring friends was the compliment extended last evening by Mrs. J. W. Cobb. The reception hall and living room were decorated with vases of yellow chrysanthemums. The dining room was a picture long to be remembered by the guests. The table was draped in lace, through which gleamed pink satin, the piece de resistance was a cake frosted with white bride's roses that contained prophetic symbols. This rested on a silver mounted plateau. Mints and nuts in cut glass bowls, carrying the decorative colors, white, pink and yellow, were indeed attractive. Pink hooded candles in silver filigree and wedding bells suspended from the ceiling suffused soft light. The bride-elect cut the cake and as the symbols were discovered and awarded—dime, thimble, etc.—tell tale blushes were prophetic. Mrs. C. L. Saunders and Mrs. Roy Billings served the "dream cake" in tiny white boxes. Ices were served by Mrs. T. H. Warren, assisted by Erin Draper and Bess Cobb. The bride's book was presided over by Mrs. W. P. McGlawn. Mrs. Cobb was assisted throughout by Mrs. George Allen and Mrs. Alex Humphrey. It was a joyous occasion, the hostess with her usual graciousness giving just the delightful and warm hospitality that rings true.

TUESDAY AFTERNOON BRIDGE CLUB

Mrs. A. B. Codrington was hostess to the Tuesday afternoon Bridge club yesterday afternoon. Gift flowers and potted plants made a pretty decoration in the rooms. Following the presentation of the prize to Mrs. C. L. Sanders for top score sandwiches and coffee was served. Her guests were Mesdames E. R. Rabble, J. B. Schimmel, H. O. Pickard and T. A. Caddell.

Mr. and Mrs. W. C. Rogers have returned from Oklahoma where they visited relatives.

Mr. and Mrs. B. C. Edwards have returned from a visit to Springfield, Mo.

PROGRESSIVE CULTURE CLUB

The Progressive Culture club met with Mrs. E. C. Payne, Tuesday afternoon, "Re-enlistment," the program committee terms it, being the feature. Mrs. W. R. Shelton, chairman, opened the session with a few remarks on "Woman—This is called the age of woman, and every hour she is solicited for some new duty and responsibility, and as her spirit has risen undimmed from great calamities of the past, so now she will go on with serene spiritual interpretation to her unending task of saving the world." The club has taken this type of womanhood for a study for the year. After the session Mrs. Jno. D. Wyker, being among the members who enjoyed a delightful summer's outing, gave reminiscences. At the finish, the hostess invited the club to the dining room for a cup of tea. Mrs. E. H. Allison poured tea, Mesdames Hubbard, Nell and J. T. Jones assisting.

Mrs. M. Williams and daughter, Miss Ileen, will leave tomorrow for Los Angeles, Cal., where they will reside in future. Mr. Williams will accompany them as far as New Orleans. They have resided here thirty years and have a wide circle of friends who regret they have determined to make their home in the far west.

Mrs. G. D. Webb of Memphis arrived this afternoon to visit Mrs. T. A. Caddell.

Mr. and Mrs. W. W. Dinsmore have taken rooms with Mr. and Mrs. W. E. Todd.

Mrs. Nicholas Page of Columbia, Tenn., is visiting her daughter, Mrs. L. C. Mayes.

Miss Winnie Lee Centiff is in East St. Louis, the guest of relatives.

Miss Elsie Alexander returned yesterday from a weeks visit to relatives in Birmingham and Cullman.

PERSONAL

Gus Bassett has returned from a business trip through the north.

Charles Thomas Sims, six-year-old son of Mr. and Mrs. R. C. Sims, was operated on today for the removal of tonsils and adenoids. The little fellow is doing nicely.

J. A. Lake of Hartselle was in the city today.

H. L. Morrell was a visitor here today.

Wilson Thompson attended the Albany-Huntsville game in Huntsville yesterday.

S. I. Nichols and Owen Harrison were visitors in Huntsville yesterday to witness the Albany-Huntsville game.

THURSDAY'S MENU

Roast pork, vegetable soup, home-made pies, electric waffles with syrup. Open from noon until midnight. The Martha Washington Shop (next door to the Vogue).—Advertisement. 4-1t

26 NEGRO RIOTERS AT ELAINE GIVEN PRISON SENTENCES

(International News Service.) HELENA, Ark., Nov. 5.—Twenty-six negroes who pleaded guilty to charges of murder in the second degree in connection with the negro uprising at Elaine, Ark., Oct. 1, were sentenced today to serve 5 years each in the penitentiary.

To date eleven negroes involved in the uprising have been convicted of murder in the first degree.

TURKEY DAY PROCLAMATION

(International News Service.) WASHINGTON, Nov. 5.—President Wilson will issue a Thanksgiving proclamation today, it was announced at the white house this morning.

Rag Paper Ancient.

Paper was made from rags in Arabia more than ten centuries ago and the method was introduced into Europe in the thirteenth century.

Potash in Sicily.

Rich deposits of potash have been discovered in Sicily.

BREAKS A COLD IN JUST A FEW HOURS

"PAPE'S COLD COMPOUND" INSTANTLY RELIEVES STUFFINESS AND DISTRESS.

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, heaviness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!—Advertisement.

Government Won't Halt Legal Action

(Continued from Page 1.)

of conservative leadership prevailing it places the whole movement in the hands of local men who may vie with each other and be at variance with each other. If the injunction were vacated and the Department of Labor invite the operators and the representatives of the United Mine Workers to a further conference, I have an abiding faith that a mutually honorable adjustment can be negotiated and effected whereby the coal strike can be brought to an end."

OPERATORS WON'T BUDGE
(International News Service.)
ST. LOUIS, Nov. 5.—The end of the great nation-wide strike of soft coal miners is not in sight.

Despite the statement of Edgar Wallace, of Washington, that the miners would return to work if the operators would submit a counter proposal to their demands on which negotiations might be opened, there is no indication of a settlement. The offer of John L. Lewis, acting president of the miner's union, for opening negotiations has had no effect towards a settlement of the controversy. This was the situation as outlined to the International News Service today by Thomas T. Brewster, chairman of the national coal operator's association.

MINERS STAND PAT
(International News Service.)
INDIANAPOLIS, Nov. 5.—Flat refusal of the government today to halt its legal proceedings against leaders of the coal strike, leaves the miner's officials unshaken in their determination to stand pat on their contention that they are willing to negotiate provided the government withdraws its restraining order, it was apparent today. "I can't say if we contemplate withdrawal of the original strike order," Acting President Lewis of the Mine Workers said.

"Under the restraining order I cannot discuss the question. But I don't see why we should contemplate such action. Do you?"

When he was informed of the assertion of Judge Ames that the government would not halt its legal proceedings, Lewis said: "It is very interesting but there is nothing I can say to add to my statement of last night."

Nation League to Meet at Paris

PARIS, Nov. 5.—The first meeting of the league of nations will be held in Paris, instead of Washington, it was decided today by the supreme council.

THE FLU IS COMING BACK

DOCTORS SAY IT WILL COME BACK.

The doctors tell us that we are certain to have a return of the FLU, and that it will start most any time. They also tell us that there has not been found a cure for that dreadful disease. They do tell us, however, that if we keep our system in a healthy condition that we will not be likely to get the FLU. So if you are wise you will get yourself in shape to resist it. D. and D.

Systone is the Medicine to put you in a healthy condition, which is the best preventive for any disease. We have many testimonials from people in Chattanooga who used SYSTONE last year. Some tell us they know SYSTONE kept them from having the FLU, and others tell us it gave them back their strength after they had the FLU.

DON'T DELAY, but get a bottle today and let the whole family take it before it is too late. We believe D. and D. SYSTONE to be one of the best tonics for the system that has ever been offered to the public, and your druggist will refund your money if you are not satisfied.

There is But One Super-Six-- Hudson Controls It

Without Increase of Size or Weight, 72% was Added to Power and Countless Records Proved its Greater Endurance—That is Why it is Called the Super-Six

Don't forget this.

Endurance must always be the most important automobile quality.

It is not appearance, speed, hill-climbing or acceleration, though the Super-Six leads in all these.

Look at the records Hudson holds all that are worth while. What car offers more proof?

But speed records are not nearly as important as are those which prove endurance. Many tests are required, to be considered final proof.

Look at these. A Hudson stock chassis was driven 1819 miles in 24 hours. The best previous record fell 347 miles short of that.

The greatest endurance test ever made was that of the Hudson double trans-continental run. The 7000 miles was covered in 10 days and 21 hours. It was the only round trip test ever completed and the distance each way between San Francisco and New York was made in less time than any other car has ever done.

No Car Ever Offered Such Proof

The reason these records, made years ago, still stand unequalled is simple. The Super-Six is a patented motor developed and controlled by Hudson. The principle which gives it power and endurance over others, would, if incorporated in any other six, make it equal to Hudson in that respect.

But you must choose a Hudson to get those qualities. There is no other way.

Hudson also leads in style. It has introduced models that are today standards with all fine cars.

The new lines of body design and finish are usually first seen in the Hudson models. The streamline body, the beveled edge tonneau and now the square lines that give to Hudson such distinction and simplicity, first appeared on the Super-Six.

Don't Forget that Hudson's Endurance is Exclusive

These things enhance the Hudson. But the one important quality is that of endurance. Nothing else is so important.

More than 70,000 Super-Sixes are now in use. Before the present model was offered 60,000 earlier types had shown the way to its development. The things men had said would make the Super-Six the best car that is built are incorporated in this new model.

Others can not build a car like it, for Hudson alone controls the patents that make it the greatest speed and endurance stock car.

Also it is the Most Wanted Fine Car

That is proved by its sales record as the largest selling fine car. It is proved by the thousands who have waited their turn to get delivery. The demand during the active buying seasons has always been in excess of supply. For some models men have been waiting months.

You will certainly want a Hudson, if not this year then next. Now is not too early to speak for it.

Athens News

The Dixie is undergoing not only repairs, but the owners have added a story to the building, and this gave space enough for balcony floor in the front of the building and the extension of the house in the rear gives double seating capacity, so it will seat between 400 and 500 people. The management promises much better pictures in the future. We understand they hope to be open to the public in a few days.

The M. E. church property is to be used for a hotel sight.

H. B. Malone's ware house and the Roberson-McGill Buggy Co's. structure are two large buildings that are nearing completion. They will add materially to Athens business section.

The John Wade Keyes Chapter held its regular meeting Tuesday evening in the room in the court house given for its use. Quite an interesting meeting was this first session since the war. This chapter is caring for one of France's orphans. The Regent, Mrs. A. P. McCallen, has received his picture, also many very appreciative letters from him. The delegate, and alternate were elected for the state meeting to be held in Huntsville in December.

Page Mr. Davis.

Do you know Edward Albert Christian George Andrew David?

This is not the first name of several people. Instead it is the full name of his royal highness, the prince of Wales, who has been visiting Canada. When Emperor Joseph of Austria died he had a string of names which made a long paragraph in the newspapers. Royalty has family names like other folks. The British royal family is often spoken of as the Guelfs. The ill-fated Russian imperial family was known as the Romanoffs; the former ruling family in Portugal was called Braganzas. The family who before Napoleon ruled France and later ruled Austria was the Bourbons. Everyone knows who the Hohenzollerns used to be.

Queen Victoria was originally Miss Akon von Este. King Edward VII, grandfather of the prince of Wales, was named Albert Edward Wettin.—Boston Post.

Prosperous Mines in Sweden.

In one of the mining fields in Dalsland, Sweden, belonging to the Malmberg Silicom company, several deep borings have been made, which gave a good result. The company's newly erected smelting works at Trollhättan, which are arranged for a yearly production of about 4,000 tons of prepared alloy, can be considered as provided with the necessary ore for ten years in advance.

Pains, Dizzy Spells

Mrs. G. P. Cartwright, of Whitwell, Tenn., writes: "I suffered with bearing-down pains. . . The dizzy spells got so bad that when I would start to walk, I would just pretty nearly fall. Was very much run-down. I told my husband I thought Cardui would help me. . . He got me a bottle. . . It helped me so much that he got me another bottle. I got a whole lot better. The dizzy spells and the bearing-down pains . . . left me entirely."

If you are weak and run-down, or suffer from womanly pains,

TAKE

CARDUI

The Woman's Tonic

You can feel safe in giving Cardui a thorough trial. It is composed of mild, vegetable, medicinal ingredients, recognized by standard medical books for many years, as being of great value in the troubles from which only women suffer. The enthusiastic praise of the thousands of women who have been helped by Cardui in its past 40 years of successful use should assure you of its genuine merit, and convince you that it would be worth your while to try this medicine for your troubles. All druggists sell it.

CAN'T REMEMBER WHEN I'VE FELT QUITE SO WELL

Am Full of Energy and Vitality; Have Fine Appetite; Sleep Sound; Constipation Overcome; Stomach Right Again, Since Taking Dr. Co.

When a person has been half sick, feeling dull, tired and "no account," then gets a medicine that puts new energy and life into his every-day life, he feels like letting others know about it. That's how this man feels. He is Mr. D. T. Carter of 406 Pine Street, Anniston, Ala.

"For years I've suffered awful pains in my back from deranged kidneys. Sometimes I'd have to get up five or six times during the night. I also had headaches and was badly constipated, and my food seemed to ferment in my stomach and form sour gas, which caused much uneasiness and distress. I was very dizzy at times and had about lost my appetite. I had tried many different medicines, but none helped me, and I'd given up all hope of ever getting well again. I heard so much about Dr. Co. I bought a bottle, and right from the start it did me good. It soothed my stomach and stopped the gas; put a stop to the constipation and headaches, also the dizziness, and my appetite got better every day. The pains in my back and kidneys have been entirely relieved, and now I go to bed and sleep all night long, and never have to get up during the night as I formerly did."

Dr. Co. is made of the juices and extracts of many herbal plants, which act on the kidneys, liver, bladder, stomach and blood, and corrects many troubles, such as gas on the stomach, constipation, weakness, poor appetite, nervousness, headaches, biliousness, catarrh, rheumatism, and such blood disorders as eczema, pimples, blotches, boils and eruptions. The first bottle usually shows splendid results, and a full treatment brings permanent results.

Dr. Co. is sold by all druggists and is highly recommended in this city by

Albany Drug Co., Albany.

Hilda Drug Co., Decatur.

AMUSEMENTS

THE NAUGHTY WIFE AT MASONIC NEXT TUESDAY

Theatregoers who delight in seeing a genuine treat in store for them when "The Naughty Wife," the latest play from the pen of Fred Jackson comes to the Masonic theatre for in engagement of one performance on Tuesday evening, Nov. 11. In it will be seen an excellent cast of well known players among whom may be mentioned Reeva Greenwood, Gordon Eldrid Gertrude Walters, Harry Keen, W. H. Crosby, Edward Ray, Irma Heath and several others.

"The Naughty Wife" is an extremely well-told story of the difficulties into which a young couple fall when the wife, believing herself to have been neglected by her husband, listens to the insidious wooing of another. The husband fails to realize the situation until his wife calmly announces her intention of running off with the other man.

The manner in which he meets what promises to prove a tragedy and ultimate confusion of the elopers, largely through the clever scheming of the husband and a worldly-wise widow, provided one long continuous laugh. No matter how delicate the position in which he finds himself, Mr. Husband never loses his hold on the loose ends of what might easily turn into a tragedy with the result that in the end he emerges triumphant.

"The Naughty Wife" is from the pen of Fred Jackson, one of the most successful writers of farce in the country. He has several other successes to his credit, prominent among them being "A Full House," in this latest of his plays, it is generally admitted he has succeeded in doing something better than he has ever given the stage before.

Not a little of the success which has accompanied the presentation of "The Naughty Wife" the country over, has been due to the human appeal of the story itself. Everyone recognizes that in the foundation of the play there exists much that might easily happen to anyone. "The Naughty Wife" has to its credit distinct triumphs in New York, Chicago, Boston and London, England. This season it is meeting with greater success than any other play of its kind in the country. Theatregoers may well look forward to its coming with keen anticipation. It is certain not to disappoint.

The seat sale opens at the box office Saturday, Nov. 8.

SCANDAL AT MASONIC THURSDAY, NOV. 11

The Cosmo Hamilton play, "Scandal" with Emma Bunting, which has been packing the Garrick Theatre, Chicago, to the doors for the past seven months, will be the unusual offering at the Masonic theatre on Thursday, Nov. 6th.

"Scandal" comes here under the direction of Walter Hast, and is a dramatization of the novel of the same title. Aside from its intense popularity in this country, it has proved equally entertaining in London, where it has been on the boards for nearly a year. The play derives its title from the audacious nocturnal visit of the young Beatrix Vanderyke only daughter of a merchant peer, to the studio of a society artist. On one of her visits the wayward young person meets a poet and an Australian hunter, and later when called to account for her actions, endeavors to get herself out of the mess by saying she has been secretly married to the Australian. Being a sportsman, he plays out the game. Also he develops unexpected cave-man tendencies. When she will abandon the masquerade, at least between themselves, he insists on going through with it. The scene shifts to her bed-chamber, where, after the usual expressions of love from the pleased parents, he locks the door, remaining inside.

There is an unexpected twist at the end, however, and then comes the obvious thing mutual defiance melting into mutual love, which with the denouncement, is permitted to come to the surface.

Cosmo Hamilton, the author, is possibly best known for his play, "The Blindness of Virtue," which attracted considerable attention a few years ago. He was part author of the libretto of "The Catch of the Season," "The Hoyden," "The Belle of Mayfair," as well as innumerable original plays. Mr. Hast is sending an excellent company here in support of Miss Bunting to interpret the various roles in this sensational success.

How to Get On.

Practice yourself, for heaven's sake, in little things; and thence proceed to greater. This is the advice of Epictetus.

The Reason.

"Do you take your cook away with you in the summer?" "Oh, no; we can't afford to go to the kind of places that would satisfy her."—Boston Transcript.

Mosquito Bites

Just as soon as you feel the effect of the Malarial Germs after being bitten by Malaria Mosquitoes, it is advisable to take GROVE'S TASTELESS CHILL TONIC to destroy the Germs and remove the impurities. Pleasant to take, 60¢ per bottle.

STATE GOLD BONDS FOR SALE

Office of the Governor,

Montgomery, Oct. 24, 1913.

Sealed bids will be received at this office at any time before 12 o'clock, noon, of Nov. 25, 1913, at which time they will be opened, for all or any part of an issue of four and one-half per cent (4 1/2 per cent) Gold Bonds of the State of Alabama to the amount of Nine Hundred and Fifty-Four Thousand Dollars (\$954,000); interest payable semi-annually in January and July of each year at the office of the State Treasurer or at the office of the State's Fiscal Agency in New York. These bonds are of the denomination of One Thousand Dollars each and are issued under authority of an Act of the Legislature of Alabama approved Feb. 17, 1913, for the purpose of refunding bonds maturing Jan. 1, 1920.

Certified check for 2 per cent of the amount of bids should accompany each bid, balance to be paid upon delivery of bonds allotted not later than Dec. 24, 1913.

The principal of these bonds is non-taxable under the laws of Alabama and the interest thereon is not subject to income tax of this State or of the United States.

Special attention of Banking Institutions, Trustees, Administrators, Executors, and all citizens seeking safe investments is called to this bond issue.

The purchase of these bonds at the following figures will yield the owner an annual dividend of the per cent indicated.

100 ----- 4 1/2 per cent.

101 ----- 4.44 per cent.

102 ----- 4.38 per cent.

103 ----- 4.32 per cent.

104 ----- 4.25 per cent.

105 ----- 4.21 per cent.

106 ----- 4.15 per cent.

107 ----- 4.09 per cent.

108 ----- 4.04 per cent.

109 ----- 3.93 per cent.

110 ----- 3.83 per cent.

The right to reject any and all bids is reserved.

THOS. E. KILBY, Governor.

KILBY APPEALS FOR RED CROSS

GOVERNOR ISSUES PROCLAMATION URGING ENROLLMENT IN THE THIRD ROLL CALL DRIVE.

Montgomery.—"It should be the pride of every Alabamian, every man and woman, boy and girl, in our state to have their names enrolled on the Alabama Red Cross roll of honor," says Gov. Thomas E. Kilby, in a proclamation, in which he pleads for a good enrollment during the week of November 2-11, 1913.

The proclamation in full follows: "The American Red Cross has indelibly stamped itself on the hearts of the civilized world, solely by its services to suffering humanity in pestilence, in disaster, in terror, in devastating floods, and in war. Many of its members were claimed by death as the world grappled in war for the overthrow of autocracy. It has announced a nation-wide roll call for the period of November 2 to 11, 1913, the anniversary of the signing of the armistice.

"This nation-wide roll call is to revise its original lists and give all red-blooded men and women a place on the red roll of this worthy organization. There are war tasks yet to be completed. There is always peace time work to be done. Now is the time to rehabilitate, to prepare for any possible emergency, and to be ready to succor suffering humanity.

"It should be the pride of every Alabamian, every man and woman, boy and girl, in our great state to have their names enrolled on the American Red Cross roll of honor.

Therefore I, Thomas E. Kilby, governor of Alabama, do hereby direct the celebration by our people of the third Red Cross roll call, November 2-11, 1913, with an earnest appeal in behalf of the recognition it so richly deserves."

More Than 8,000,000 Illiterates in U. S.

PARADED BY TWOS WOULD TAKE THEM MONTH TO PASS REVIEWING STAND.

(Continued News Service.) WASHINGTON, Nov. 5.—If the illiterate of the country were to be paraded past the White House by twos twenty-five miles a day, it would take them a month to pass the reviewing stand.

This is the statement of Senator Kenyon, of Iowa, who prepared the Americanization bill which would deal with illiteracy and the alien population.

Senator Kenyon says there are 8,000,000 illiterates in the United States, of whom a large proportion are alien born. He proposes to deal with the latter's case by compelling them to study the "American language," as he calls it, before they are admitted to citizenship.

A great deal of the present unrest has been attributed to radical influence, and Senator Kenyon believes

Lapp Fast Skater.

The Laplander can cover 150 miles day on his skates.

that if the foreign born, among whom the radicals are most influential, were more familiar with the glorious traditions of their adopted land they

would be slow to rise against the institutions of the United States. It is proposed to deal firmly with foreign agitators in future, and legisla-

tion may be added to the present bill pending which are expected to have a salutary influence on present conditions.

A man's best pal is his smoke

"Knotty problem? Let me help"

—Ches. Field

"HELP" is right! A smooth, mellow smoke is just the thing, when you're up against a tough one. And Chesterfield is that smoke.

An expert and exclusive blend is responsible—finest, silkiest Turkish tobaccos from Xanthi, Cavalla, Smyrna and Samsoun, and the best varieties of Domestic leaf—put together by the manufacturer's private formula that brings out every last bit of flavor. No other process, no other blend, can successfully imitate Chesterfield's smoothness and full-bodied flavor.

No argument here! Chesterfields satisfy as no other cigarette has ever satisfied before.

RED X WORKERS IN SHOPS ARE NAMED BY DRIVE LEADERS

At the shops Red Cross meeting held at noon today, W. R. McCluskey, chairman, announced the following solicitors:

Blacksmith shops: J. H. Clift, E. P. Willson.

Boiler Shops: H. G. Thornhill, C. A. Teague.

Car Department: I. N. Hanes, Joseph Walk, J. C. Smith, C. J. Kent, E. A. English, Newsom Nelson, Ray Ling, Walter Williams, W. L. Speegle, S. J. Forlines.

Machine Shop—C. A. Ellner, Elmer Moles.

Round House: Joseph Botler.

Pipe Shop: Herbert Houk.

Foundry: E. M. Johns.

The Louisville and Nashville shops campaign for the third roll call of the American Red Cross began auspiciously yesterday at noon, when a large mass meeting of the shopmen was held after lunch time in front of the gates. Mrs. Vera Austell, county woman's chairman, attended the meeting and at the request of the shops committee brought with her a number of the Red Cross workers. Miss Marjorie Miller, chairman of the woman's work for Albany, was present as was Mrs. A. H. King, Mrs. Joseph M. Petty and Miss Gertrude Johnson of Decatur. The two last named sang catchy solos to the great pleasure of their audiences. The organist was Mrs. B. B. Pickens. The visiting men present were E. D. Whitman of Albany and John A. Thomson and Judge W. T. Lowe of Decatur.

Judge Lowe was the chief speaker and he arose to the occasion in magnificent style. He said that the Red Cross was a permanent institution of the nation, and that every dollar given to the support was as bread cast upon the waters. He said that he was thankful that there were workers who would give their whole time to the work, and that he considered it a great privilege to contribute to their support. It was pointed out that half of the membership money was to be spent locally. Judge Lowe then told something of the uplift work that is now being done by workers of the local chapters. A most thrilling account was given by the speaker of the great service wrought by the Red Cross for the American soldiers and sailors and for all the Allied armies.

Sunderland & Hayes Buy Machine Shop

H. E. Sunderland and family leave tomorrow for Pulaski, Tenn. Mr. Sunderland and Carl M. Hayes have purchased the old Talley Machine shop and that of the John Long people and will operate them under the style of the Pulaski Machine and Battery Co. These gentlemen are known to be men of the best ability in their line and it goes without saying that they will make a distinctive success.

LOCALS' DRIVING POWER FAILS TO SHOW, HUNTSVILLE WINS 7 TO 0

By BENJAMIN BLOODWORTH
Staff Correspondent.
HUNTSVILLE, Ala., Nov. 5.—An inexplicable inability to get its tremendous driving power going, perhaps a wee bit of overconfidence and the dope went wrong yesterday, Huntsville winning over Albany high school 7 to 0. Albany defeated Huntsville only three weeks ago 19 to 0.

The lone touchdown was made in the second quarter in the first few minutes of play and thereafter the teams swayed up and down the field with the ball in Albany's territory most of the time. Considering the length of time the ball was in Huntsville's possession it is strange that the Blue and Red did not score again. They rushed the ball to Albany's one yard line in the fourth quarter and a line back placed it two feet nearer the Purple and Gold's goal, but there Albany held and Alexander punted out of danger.

Carr, who was ruled ineligible by the Albany authorities because

was claimed he had not attended school with sufficient regularity was on the field but his absence from the line up was missed by his teammates. Members of the team claimed they had been given no opportunity to practice another man at half and Bell, who has been playing in the line for the last three games was put in the backfield. At times Albany displayed the brilliant brand of football which defeated Huntsville, Florence and Sheffield in rapid succession, but they could never get going with their aerial attack, pass after pass being broken up by the Huntsville backs and ends.

The Purple and Gold got away to a unfortunate start, a break of the same costing them a touchdown and giving one to Huntsville.

Huller kicked off to the 5 yard line, Williams running the ball back ten yards. Quick made 3 around right end. Price added three through the line. Price made first down through the line. Dill passed over Quick's head, the ball rolling back to Huntsville's 5 yard line where Huntsville recovered. Price punted out of bounds 20 yards. Alexander fumbled on the first play, but recovered. To gain, Alexander shot a perfect pass to Tarpey 15 yards away and he little end, with a clear field in front of him, fumbled for a moment and dropped the ball. Tarpey was already under way and was running too fast to hold the pigskin. It was a costly fumble, however.

Time was taken out by Huntsville, Captain McFarland being hurt. He was replaced by LaRue. Another attempted pass was incomplete. Alexander faked a punt and ran with the ball but was downed on the line of scrimmage. Huntsville's ball. J. O'Neal made 8 around left end, Price 1 more through line and first down. Quick hit the line for 3. Price for 3 and Quick made 20 around right end. First down. J. O'Neal fumbled, but Huntsville recovered for a two yard gain. Price hit the line without gain. The ball was on Albany's 13 yard line. Quick cut the distance to the goal 3 yards on a line buck. Price made 5 more through the line. Price was held without gain. The quarter ended.

Price opened the second quarter by hitting the line for 3. The ball was on Albany's one yard line and Price carried it over for a touchdown. He kicked goal. Shelton went in for Tarpey.

In the last quarter a series of line bucks and a forward pass placed the ball in striking distance of the Albany goal. Quick carried it to the one foot line, the spectators being unable to tell whether the ball was over or not. Alexander failed to gain through the line. A forward pass failed. Alexander punted 40 yards, no return. The game ended with the ball on Albany's 35 yard line.

At times Albany displayed an excellent defense but their offense lacked the driving power it has shown in previous contests. The game was devoid of spectacular plays.

Alexander, Humphries and Shelton tackled well.

The line ups follow:

Albany	Huntsville
Huller	Center
Humphreys	Right Guard
Sewell	McFarland (Capt.)
Tarpey	Right Tackle
Putman	Right End
T. Batten	Left Guard
Lamon	Left Tackle
Ling (Capt.)	Left End
Alexander	Quarter
Bell	Right Half
Royer	Left Half
	Full Back

Will Nuxated Iron Help Men
Of Today Gain Strength And
Endurance Like Athletes of Old?

Physician Says "Yes"—Cites Case of

Jack Dempsey, Heavyweight Champion of the World
SUPERMAN OF THE AGE

Who Used
Nuxated Iron
as a Part
of the Training
Which Gave
Him Such
Marvelous
Physical Development
That He Was Able To Whip The
Mighty Jess Willard—

To every man who lacks physical strength and energy there comes a longing at times to possess the power and endurance of an athlete, yet they go on struggling through life weak, nervous and run down, when in reality their trouble may be nothing more than lack of sufficient iron in the blood.

Had they not kept their blood rich in iron the athletes of old might never have achieved such fame, is the opinion of Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, who believes that modern men who are fagged out by worry, work and other strains might readily build up their strength, energy and endurance by increasing the supply of iron in their blood.

As an example of the superb physical condition that may be obtained by a man of today who follows proper methods of living and who keeps his blood filled with strengthening iron, Dr. Sullivan cites the case of Jack Dempsey, who used Nuxated Iron as a part of the training which gave him such marvelous development that he is now recognized as the Superman of the Age and perhaps the superior of any famous athlete of ancient times. In connection with his use of Nuxated Iron, Dempsey says: "Nuxated Iron put added power behind my punch and helped me to accomplish what I did at Toledo. From the results in my own case, where the possession of super endurance is necessary, I feel that I am in a position to strongly recommend Nuxated Iron to every man and woman who wants to build greater strength, energy and power."

In commenting on the foregoing statement made by Dempsey, Dr. Sullivan says: "It should occur to every thinking person that if a man as physically fit as Dempsey should consider it advisable to take Nuxated Iron how much more important it is for the average man or woman to see that there is no lack of iron in the blood. In my opinion, the men of today who want to be strong, sturdy and successful must either live more as did the athletes of old or else supply the iron deficiency in their blood by taking some form of organic iron—Nuxated Iron. I have used Nuxated Iron in my practice and I know of nothing more effective for building

The coarse foods and rigorous methods of living practised in ancient times made rich red blood for the men whose feats of strength and endurance won fame for them through the ages. Today modern methods of cookery extract much of the natural iron from our blood and this, coupled with the more rapid pace at which we live, make it necessary in our present age to supply the iron deficiency thus caused by taking some form of organic iron—Nuxated Iron—so as to build up a race of sturdy, red-blooded men.

has won the day simply because he knew the secret of great strength and endurance, which comes from having plenty of iron in the blood, while many another has gone down to ignominious defeat simply for lack of iron. Nuxated Iron, a secret remedy, not only restores the iron which is lost, but also builds up the blood, making them black as the old iron. The manufacturers guarantee a refund of your money if you will send your money. It is dispensed in this city by all good druggists.

up the system and increasing the red blood corpuscles, thereby enriching and fortifying the blood against the ravages of disease."

Criticism and Citizenship

It is the plain, public duty of every citizen to criticize proposed government measures believed to be harmful.

Swift & Company is in a better position perhaps, than others, to understand the meat packing business in all its relations to public and private interests, even though the others may have been giving the subject a great deal of sincere attention.

Swift & Company is convinced that interference with its legitimate business function by governmental agencies, however well intentioned, would be an injury to every man, woman and child who wants meat to eat, as well as to the men who raise the meat and to those who dress and distribute it.

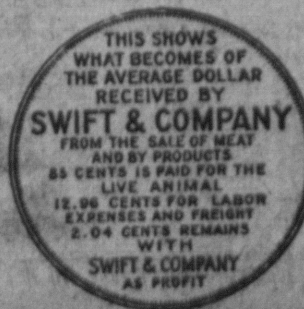

Maximum service that cannot monopolize because of keen competition and lack of control over sources of supply is furnished at a minimum of profit—a fraction of a cent per pound from all sources.

Therefore Swift & Company is taking every legitimate step of citizenship to prevent such interference.

These advertisements are intended to help you, and to help Congress decide what is best to be done. Mistakes are costly and apt to be harmful in these trying times.

Let us send you a Swift "Dollar."

Albany Local Branch, Cor. Lee and Second Sts.
C. W. Hudson, ManagerSwift & Company's
Profit 2.04 CentsThere Is a Medicine Called
TONO-QUIN

It is the only malaria medicine on the market that contains Pepsin. That's one drug nearly everyone needs.

It is the only one that really acts on the liver. A few doses will prove that to your entire satisfaction.

It is one of the very few that contains Iron in a form that is easily assimilated. Iron helps to make good, rich blood.

It is the only one containing such expensive and valuable medicinal ingredients that has not advanced in price.

In action it is twice as quick as Quinine Sulphate, and has no bad after-effects.

In taste, it is neither sweet and sticky, nor bitter and nauseous. There's just enough spice and "zip" in its flavor to make it pleasant to take.

It brings quick relief in all forms of malaria and is one of the most effective medicines that you can use in the treatment of colds and la grippe.

As a general TONIC and STRENGTH builder, we honestly believe that it has no equal. Yet it is not fashionably advertised as a "cure-all."

But our belief in it is strong enough that every bottle is backed by an iron clad guarantee of satisfaction or your money quickly and cheerfully refunded.

If you suffer with malaria, a stubborn cold or la grippe, or if you need a tonic that will quickly bring back your "pep" and zestful enjoyment of life, call upon your druggist TODAY for a fifty-cent bottle of Tono-Quin.

If he will not supply you, phone us, (Albany 180) and it will be delivered to your house without delay.
